# Jefferson County Republican Party
2025 Reorganization

What is a Party Reorganization?

Every four years, following the Presidential Election, a political party reorganization takes place. During this process, Republican parties at local and state levels will select officers, ranging from the local precinct level up to the County and State Chairmen. This election process will occur over several months, the results of which being reenergized and better focused organizations.

Details regarding the reorganization process for Jefferson County Republicans, including relevant dates, times, and locations, are outlined in the charts below.
